Dear Parent

First of all can I say welcome back and I hope you have had a good break. Well that's one half term done...next it will be Christmas! I hope you are ready for another busy half term. There is a lot to look forward to this half term and you should have received a list of diary dates for the Autumn Term. I am supporting Movember again and I look forward to seeing those who join me this month (Mr Tabbner + ????).

I am so pleased with how well everyone has settled back in and already working very hard. We have already had some great sporting success including sports hall multi skills and cross country. We have made it to the area cross country finals to be held at Cannon Hall on the 14/11/14. I have also heard that the new members of the ensemble and orchestra are making some fantastic progress and that they are very excited about their first set of concerts (all the details of times and venues will be given closer to the concerts);

- Stocksbridge concert – 30/11/14
- Methodist Church – 7/12/14
- Good Companions 10/12/14

Can I use this opportunity to just give a few reminders to help with the day to day running of school;

- Please make sure you have given Mrs Park any changes of contact numbers or address
- If you have any lost uniform please check the lost property outside class 5 as we will have to empty it soon.
- Recently we have had some complaints regarding parking outside school, please take care to park considerately thinking about others and your own child's safety, as well as the local residents and their property.

Please remember the PTA are always looking for extra little help whenever you can offer it so please contact them if you think that you can help with the up and coming Christmas Fair. I would also like to use this opportunity to welcome our two new governors, Mrs E Greaves and Mr N Beever, and remember if you have any queries regarding school you can talk to any of our Governors who will be very happy to help.

We look forward to your continued support in such a busy term and don't forget if you have any concerns or successes please feel free to share them with your class teacher or myself.

Yours sincerely

Mr S Tabbner
